ABOUT ZOMBIE DOOMVERSE

Zombie Doom Metaverse (Zombie Doom) is a one-of-a kind collection of 5,999 Zombie inspired NFT's. Each Zombie is generated from 253 different trait combinations (background, clothes, earrings, eyes, eyewear, hats, skulls and accessory) which provides their unique appearances. Zombie Doom NFT's can be bought on OpenSea, the world's first and largest NFT marketplace or win thru events.

Holders of Zombie Doom NFT's will have exclusive access to private events to be hosted by the administration team with exclusivity on upcoming merchandises, rewards and incentives.

A play-to-earn game will be develop wherein the Zombie Doods are taking refuge and living peacefully in the Zombie Island called Zombielandia. The ultimate play-to-earn concept is to protect the zombie community against dino-invaders preying on zombies. Players will lead the zombies to protect their land and earn the Zombie Doom Token (\$ZDT) by playing the games and defending against dino-invaders.

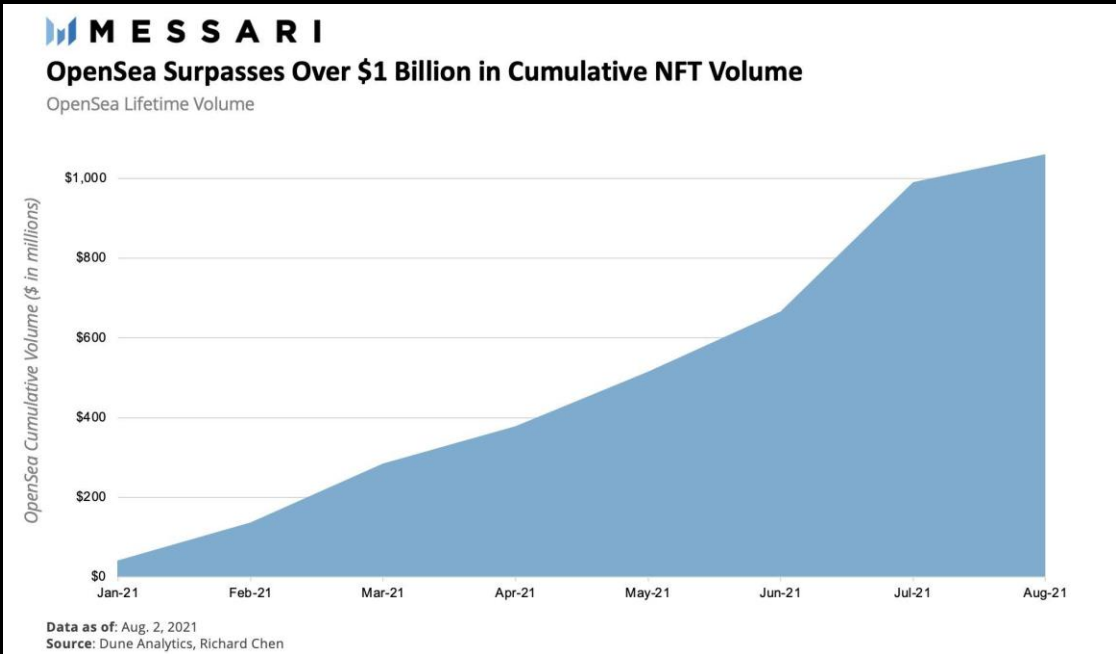

Zombie Doom NFT's can be traded for \$ZDT tokens in the marketplace while \$ZDT can be traded on BEP-20 trading platforms.

Lead the way to victory, defend Zombielandia, gain \$ZDT, earn massive profit and become the trading legend of Zombie Doom Metaverse.

FOREWORD

The market size for digital collectibles known as NFT's had ballooned to \$41 Billion market in 2021 according to markets.businessinsider.com and is catching up to the total size of the global fine art market. With the Most Expensive NFT sold for nearly \$92 Million on nifty gateway in December 2021, the demand for NFT's are skyrocketing.

With a record breaking trading volume of NFT's at OpenSea where NFT Sales Volume Hits Record high, NFT's are now the #1 Trend in mainstream of digital currency investments

In reference to globalnewswire.com, the key market insights for global non-fungible tokens will grow fastest from year 2021 to 2026.

Zombie Doom NFT's will be one of your most valuable assets in the on-going and upcoming global market upstream demand of digital artworks.

I. ZOMBIE DOOM MISSION AND INSIGHTS

Zombie Doom is well aware of the global market demands on NFT industry and have progressively developed the zombie inspired digital assets for the past months. Through the use of the blockchain technology, the developers have integrated this unique digital assets with special art concept making them valuable and will be available to the open market.

Zombie Doom developers will develop a play-to-earn game associated with the Zombie Doom NFT's to further increase the value of this digital assets. NFT holders will be able to take advantage of further profit thru the fair and trusted game competition system that will be developed that will not diminish the value of the \$ZDT token but further enhance market demand.

Zombie Doom will continuously work hard towards a transparent working environment putting first the welfare of its investors and NFT holders. A system of ensuring that proper \$ZDT token allocation and marketing strategies & partnerships are of utmost importance.

With much at stake, Zombie Doom developers commit to bring the best of its NFT's and \$ZDT tokens to the world of cryptocurrency and blockchain technology.

\$ZDT token prices are expected to skyrocket with the support of the global market and community.

II. ZOMBIE DOOM NON-FUNGIBLE TOKENS

Zombie Doom Non-fungible Tokens (NFT) or the digital assets are the 5,999 Zombie inspired artworks which is the verifiable assets that can be traded on the blockchain.

Each NFT's that has different rarity level in terms of their design can be distinguished based on eight (8) different customized designs of their backgrounds, clothing, earrings, eyes, eyewear, hats, skulls and accessory.

With much of the current NFT's is already centered around collectibles, the Zombie Doom NFT's are in line with the shift of the crypto paradigm for more robust incoming markets for such forms of investments.

Owning an NFT today may bring a brighter future to your investments ahead.

HOW TO PURCHASE AN NFT

Zombie Doom NFT's can be purchased on the following platform using Polygon (\$MATIC):

- 20% - Website (Pre-sale)
- 80% - OpenSea

COST FOR EACH NFT's

Each Zombie Doom NFT has different price depending on the rarity, price starts at 45 \$MATIC or 0.22 \$BNB.

NFT HOLDERS INCENTIVES

Each NFT Holder may enjoy the following incentives and exclusive benefits:

- Weekly pay-out of the accumulated 2% tax from buy and sell of \$ZDT token that will be dependent on the trading volume
- Automatically qualified to the random NFT holder to receive 3% of the buy tax of NFT's
- Private events exclusive for NFT holder
- Access to exclusive merchandise and activities

REVOCATION OF RIGHTS

An NFT Holder will be revoked of all the incentives that he is enjoying once the NFT was being sold and those will be transferred to the new owner.

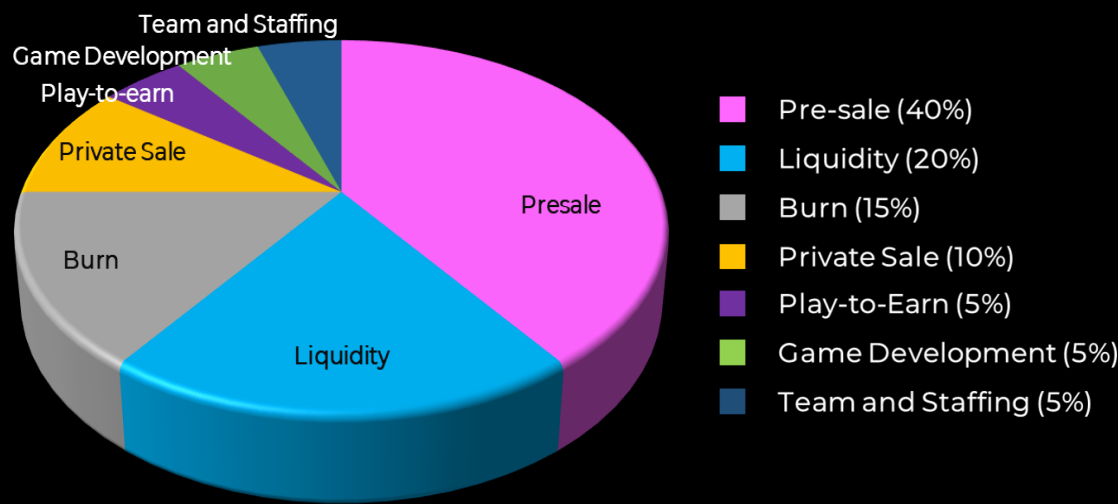

III. ZOMBIE DOOM TOKEN

Zombie Doom Token (\$ZDT) is the native currency for Zombie Doom Metaverse with a limited supply of 100,000,000,000 of which 15% is burnt forever, further reducing the supply and providing more value to each token. \$ZDT tokens will have the following functions based on initial projected utilization:

- Trading in Binance Smart Chain, BEP-20
- Buy and Sell Taxes
- In-game Play-to-Earn Farming
- In-game Marketplace
- NFT Holders Rewards

\$ZDT Tokens may have other functions in the future based on market, NFT's and P2E requirement that may further enhance the Zombie Doom project in the global market.

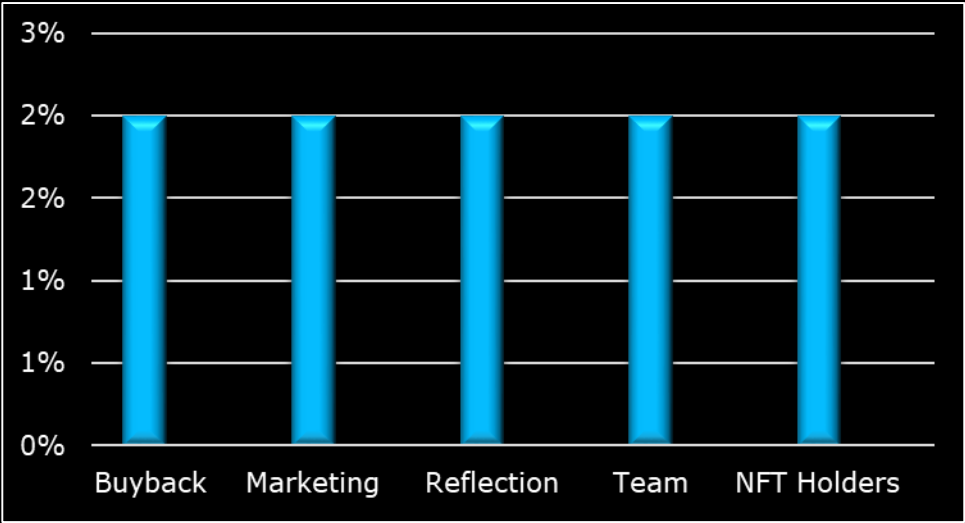

\$ZDT Tokens total supply allocation:

IV. \$ZDT BUY AND SELL TAX ALLOCATION

Zombie Doom Token (\$ZDT) buy and sell tax is 10% with strict allocation for the following:

- Marketing (2%)
- Buyback Function (2%)
- \$ZDT Reflection to Holders (2%)
- Team and Staffing (2%)
- NFT Holders Reward (2%)

\$ZDT Tax Allocation

Rewards allocation for NFT holders will further increase the investors digital asset value through the weekly pay-out to NFT holders that will be dependent on the volume of the \$ZDT tokens being traded.

V. ROADMAP

Zombie Doom is very serious on the path that it will be taking in terms of its Roadmap to ensure a long lasting partnership with its stakeholder towards the goal of a more profitable long term investment.
